Dear Managing Partner,

APPLICATION FOR PUPILLAGE AT FITCH ATTORNEYS

I apply for the position of a pupil at your distinguished international Law Firm pursuant to the call for applications for the pupillage programme 2026/2027 published on LinkedIn.

I earnestly look forward to being called to the Ghana Bar in October, 2026. Driven by the personal objective of being an outstanding professional through diligence, integrity, personal development and research, it would be a distinguished privilege to undertake pupillage at your firm, established on the culture and values of excellence, integrity, mentorship and innovation.

I have had over twelve (12) years of progressive work experience in the field of real estate, as a Valuer and working with institutions such as the Lands Commission, Greater Accra and as an assistant to Ms. Agata Taricone, the owner of Delfino Law and General Counsel of the Trasacco Group of Companies. Professionally, I aim at practicing as a real estate attorney, permeating all sectors of the real estate industry including tax, land administration, property management and development. Considering that your firm offers real estate and construction legal services, undoubtedly, joining your firm as a pupil would set me on a sustained foundation of formidable skill, competence and proficiency in my chosen legal career.

I hope my application meets your kind consideration as I wait in earnest anticipation of being a beneficiary of the pupillage programme 2026/2027 at your distinguished firm. Please find attached to my application my curriculum vitae and academic certificates for your perusal. Thank you.

Yours faithfully,

Stephen Dwirah
