Dear Managing Partner,

APPLICATION FOR PUPILLAGE POSITION AT FITCH ATTORNEYS

I write to express my interest in undertaking pupillage with Fitch Attorneys. I am currently a Part II student at the Ghana School of Law and I am eager to build on my legal education through practical training at your firm known for its excellence in dispute resolution, corporate and commercial law.

My interest in Fitch Attorneys grew through learning about the firm's work and reputation in commercial law and dispute resolution. I was particularly impressed by the firm's breadth of practice and its commitment to providing high-quality legal services to a diverse range of clients. This reinforced my desire to undertake pupillage at your firm where I would receive the necessary legal training while contributing meaningfully to the firm's work.

During my studies at the Ghana School of Law and my internship experiences, particularly my current role as an intern at the Legal Affairs Directorate of the University of Ghana, I have developed a growing interest in how legal frameworks support business transactions and economic activities. In my current position, I assist in reviewing commercial agreements and institutional policies, provide support for legal advisory on regulatory compliance matters and conducting legal research. My internship at Torpey & Associates further exposed me to legal research on mortgage transactions, land law matters and land dispute litigation. These experiences have strengthened my analytical, drafting and problem-solving skills while reinforcing my interest in commercial legal practice.

I am eager to learn from experienced practitioners and gain exposure to complex commercial transactions that will further develop my legal research, drafting and analytical skills. I am confident that pupillage at Fitch Attorneys will provide a solid foundation for my career in corporate and commercial law and equip me to develop into a well-rounded legal practitioner.

I am dedicated, hardworking and a fast learner, capable of working independently and collaboratively. I am confident that I will be a good team player when given this opportunity, while gaining hands-on experience to complement my legal education.

Kindly find attached my curriculum vitae (CV) for review. I am always available for an interview and any additional documents that may be required. Thank you for considering my application and I look forward to hearing from you.

Yours faithfully,

Seli Adjoa Dzodzomenyo.
