Dear Sir,

Application for Pupillage Programme 2026/2027

I am writing to express my interest in your Pupillage Programme for 2026/2027. I recently completed my final examinations at the Ghana School of Law and I'm currently awaiting my Call to the Bar in October.

Prior to pursuing law, I built a career in corporate communications, working with organisations including Newmont Ghana Gold Limited, the Ghana Chamber of Mines, WAMPEX and FLSmidth. This experience developed my skills in research, writing, advocacy, stakeholder engagement and working effectively in demanding professional environments.

My legal training has further strengthened these skills. I had the opportunity to intern in the chambers of Justice Jennifer Dodoo, a Justice of the Court of Appeal of Ghana, where I gained valuable exposure to appellate judicial processes, legal analysis and judgment writing. At K-App Law, I have also undertaken legal research and drafting in Competition Law, Consumer Protection Law, Natural Resources Law and related regulatory matters, with a particular focus on issues within the ECOWAS sub-region. I have also contributed to legal webinars and participated in community legal clinics.

These experiences have provided me with a strong foundation in legal research, analysis and drafting, while exposing me to both judicial and advisory aspects of legal practice. I am eager to build on this foundation through practical training and mentorship at your firm.

I would be grateful for the opportunity to contribute to and learn from your team as a pupil. I look forward to the opportunity to discuss my application further.

Yours sincerely,

Ishmael Martey
