The Hiring Manager
Fitch Attorneys
Accra Ghana

Dear Sir / Madam,

APPLICATION FOR PUPILLAGE

I write to respectfully express my keen interest in undertaking pupillage with Fitch Attorneys upon the getting called to the Bar in October 2026.

As an aspiring legal practitioner with a strong passion for excellence, commercial awareness and solution-oriented legal practice, I am particularly drawn to the firm because of its outstanding reputation as one of Africa's leading full-service law firms. The firm's commitment to professionalism, innovation, intellectual rigour and pan-African legal excellence strongly aligns with the kind of lawyer I aspire to become.

Throughout my legal education, I have developed a strong foundation in legal research, advocacy, legal writing, critical analysis and problem solving. Beyond academic training, I have intentionally cultivated strong communication, leadership and strategic thinking skills through various professional and entrepreneurial engagements. I have conducted public speaking trainings for individuals and professionals across Malawi, Zambia, Uganda, Ghana and Kenya. As a fellow of the West Africa School of Internet Governance, I got the opportunity to be a Panel Speaker at a high level Panel Session of the West Africa Youth Internet Governance in May 2026 at Freetown, Sierra – Leone organised by ECOWAS.

I am particularly interested in gaining exposure to high-level legal practice within areas such as corporate and commercial law, dispute resolution, Transactions, Technology law, regulatory compliance and policy-oriented legal work. I admire the firm's role in shaping legal and business conversations across the continent and I believe the firm offers the ideal environment for practical learning, mentorship and professional development. I believe that the opportunity to undertake pupillage with the firm would significantly shape my development into an astute, commercially conscious and impactful legal practitioner.

I would be honoured to be considered for this opportunity and would welcome the chance to further discuss my application. Kindly find attached my curriculum vitae for your consideration.

Yours faithfully

.....
