The Head of Chambers
Fitch Attorneys
Accra

Dear Sir

APPLICATION FOR PUPILLAGE

I am Erica Nana Adubea Essah, a final year student at the Ghana School of Law pursuing the Professional Law Course and expecting to be called to the Bar this year. I am writing to apply to undertake my pupillage at your reputable firm upon my successful call to the Bar.

I hold an LLB from Kwame Nkrumah University of Science and Technology(Second Class Upper) and am currently pursuing professional training at the Ghana School of Law where I serve as a Co-Class Representative. My internships at Minkah Premo, Osei-Bonsu, Bruce-Cathline & Partners(MPOBB) , JLD&MB Legal Consultancy and the District Court (Madina) have provided practical exposure to both corporate practice and litigation.

I am particularly interested in joining Fitch Attorneys because I believe the firm would provide an excellent environment in which to develop my practical skills and gain meaningful exposure to different aspects of legal practice. I am hardworking, adaptable, and eager to contribute meaningfully to your team while continuing to develop under your guidance. I believe my academic background and professional experiences coupled with my eagerness to learn and improve will make me a valuable addition to your firm. I have enclosed a curriculum vitae highlighting my education and experience for your review.

Thank you for considering my application. I look forward to the opportunity to learn from the firm's distinguished practitioners and contribute meaningfully to its work.

Yours faithfully,

Erica Nana Adubea Essah
