Dear Sir,

APPLICATION FOR PUPILLAGE

I write to apply for pupillage at your esteemed firm. I have successfully completed Part Two of the Professional Law Course at the Ghana School of Law and have received my results, having successfully passed the examination. I am currently awaiting my Call to the Bar and hold a Bachelor of Laws (LLB) from the University of Ghana. It will be a great opportunity to begin my legal career in an environment that is passionate and enthused about tax and corporate law.

My academic training has provided me with a solid foundation, while my internship at Kulendi@Law offered valuable practical exposure to the realities of legal practice. During this period, I developed strong skills in legal research and drafting, assisted in the preparation of pleadings, and observed court proceedings and client conferences, which deepened my understanding of litigation, courtroom dynamics and lawyer-client interactions.

I believe pupillage offers the opportunity to learn under experienced practitioners and contributes meaningfully to client work. I am confident that training under your supervision will provide the practical experience necessary to develop into a well-rounded legal practitioner.

I would welcome the opportunity to contribute to your team while learning from your distinguished lawyers. Kindly find attached my curriculum vitae for your consideration.

Thank you.

Yours faithfully,

Akosua Serwaa Owusu-Konadu
