Fitch Attorneys

16 Dei Street

Dear Sir,

APPLICATION FOR PUPILLAGE

I write to respectfully submit my application for pupillage at Fitch Attorneys. I am currently in my final part at the Ghana School of Law, pursuing the Professional Law Course II, and anticipate being called to the Bar in October 2026 to obtain my Barrister-at-Law (BL) qualification.

Through my recent role as a Legal Intern at Société Générale Bank Ghana, I gained practical exposure to the corporate and banking industries, which has deepened my interest in corporate and commercial practice, regulatory compliance, and some level of litigation. I also developed familiarity with court procedures, filing processes, and litigation support within a corporate legal environment.

My earlier experiences at Bentsi-Enchill, Letsa & Ankomah, S&S Legal, and Freshfields Law Consult further strengthened my skills in legal research, drafting, litigation support, and client management while working under the supervision of experienced practitioners.

Beyond traditional legal practice, I bring a multidisciplinary background spanning law, business, and the creative industry. My experience in intellectual property, creative direction, project coordination, and stakeholder engagement has strengthened my

ability to approach legal issues with commercial awareness and a solution-oriented mindset. I believe this combination of legal knowledge and industry experience positions me to contribute meaningfully to clients operating across diverse sectors.

I am drawn to Fitch Attorneys because of its commitment to delivering quality legal services and providing an environment where young professionals can develop strong practical skills. I am eager to learn from experienced practitioners, contribute to the firm's objectives, and grow into a well-rounded legal professional.

Attached is my Curriculum Vitae for your attention as required. Thank you for your time and kind consideration.

I would welcome the opportunity to discuss my application further at your convenience.

Yours faithfully,

Jonathan Elorm Attah-Sewor
