Dear Sir/Madam,

APPLICATION FOR PUPILLAGE

I write to express my interest in undertaking my pupillage with Fitch Attorneys following my call to the Bar later this year.

I believe that the formative years of a young lawyer play a vital role in shaping their professional growth and development. I am therefore applying to your firm to undertake my pupillage, where I hope to learn from experienced lawyers, receive meaningful mentorship, and develop the confidence and competence required to become a well-rounded lawyer.

I am a determined and hardworking individual who believes that success is achieved through diligence and a willingness to learn. I am therefore ready to apply myself fully to the training and learning opportunities offered by your firm. While I have not yet determined the area of practice in which I wish to specialise, I believe that exposure to diverse areas of legal practice during my pupillage will help me identify my interests and strengths and guide me towards an area in which I can develop my expertise.

I am eager to bring my diligence, willingness to learn, and commitment to professional excellence to the firm while developing my skills and professional competence.

I have attached my curriculum vitae for your consideration and would be grateful for the opportunity to discuss my application further.

Thank you for considering my application.

Yours faithfully,

ElsaVic Kakra Quarm
