Dear Sir/Madam,

APPLICATION FOR PUPILLAGE POSITION

I am a Part II Professional Law Course student at the Ghana School of Law and wish to express my strong interest in securing a pupillage position with your firm, **Fitch Attorneys**. I will be called to the Bar this year October 2026 upon completion of the Professional Law Course in July 2026. Through my legal education and practical internship experience, I have developed a solid foundation in advocacy as well as the discipline, adaptability and the resilience needed to thrive in a demanding and dynamic legal environment.

During my internships, I was engaged in various practical activities such as drafting motions, researching on substantive laws, preparing cross examination questions, attending client conferences and assisted in the preparation of MOUs for the Ministry of Defence. While at the Ministry of Defence one of my renowned contributions was assisting the Acting Judge Advocate - General to prepare a research proposal for the 24-Hour Economy Policy. Through these experiences, I cultivated strong proficiency in legal drafting, client engagements and management of information. I maintained a positive attitude towards challenges viewing them as opportunities for growth and continuing self-improvement.

I participated in Mooting activities while serving as a research assistant to the campus law firm. I served as the Head of Media and Publicity for the Federation of African Law Students Female Forum Ghana (FALAS Female Forum Ghana). I promoted and coordinated the programmes of the Female Forum.

Fitch Attorneys is a renowned law firm in recognized for its commitment to excellence and exceptional client services. The firm's practice areas such as Corporate and Commercial law; Energy and Natural Resources; Dispute Resolution; Technology, Digital and Innovation align closely with my professional interests and long- term career goals. I take great satisfaction in assisting others and sharing knowledge as I believe in the importance of mutual growth and continuous learning within any professional environment.

I would be honored to support the team in delivering excellent legal services and contributing to the company's continued success.

I hope my application receives your kindest consideration. Thank You.

Yours faithfully

.....
