The Managing Partner

Fitch Attorneys

Accra, Ghana

Dear Sir/Madam,

APPLICATION FOR PUPILLAGE

I write to express my interest in joining Fitch Attorneys as a pupil. I recently completed the Professional Law Programme at the Ghana School of Law and hold a Bachelor of Laws degree from the Ghana Institute of Management and Public Administration (GIMPA), where I graduated with Second Class Upper Division.

My legal training has provided me with practical exposure across private legal practice, the courts and public-sector legal work. During my internship at Painstil, Painstil & Co., I assisted with legal drafting and research, attended court proceedings and gained practical insight into the day-to-day workings of a private law firm. Prior to this, my experience at the High Court of Ghana, Family Division, exposed me to court procedure, case preparation and the conduct of proceedings. I also served in the Legal Department of the Commission on Human Rights and Administrative Justice (CHRAJ), where I conducted legal research and assisted with the preparation of legal documents.

I am attracted to Fitch Attorneys because of its unique approach to legal practice and its work at the intersection of law, commerce and strategy. The firm's practice across corporate and commercial law, financial services and regulation, energy and natural resources, investment and trade, and dispute resolution presents an environment in which I believe I can develop a broad and commercially relevant understanding of legal practice. I am especially interested in the opportunity to learn from practitioners handling complex matters involving businesses, institutions and cross-border transactions.

I would bring to the firm strong research and analytical abilities, attention to detail, legal writing and drafting skills, as well as a genuine willingness to learn. My experiences have also taught me the importance of professionalism, diligence and careful preparation when dealing with legal

matters. I am eager to further develop these qualities through practical training and mentorship while contributing meaningfully to the work of the firm.

I would be grateful for the opportunity to begin my professional legal career at Fitch Attorneys and to learn from and contribute to a team committed to excellence in legal practice. I have attached my curriculum vitae and the other required documents for your consideration.

Thank you for considering my application. I look forward to the opportunity to discuss my application further.

Yours faithfully,

Nana Etruba Amua-Sekyi
