The Managing Partner
Fitch Attorneys
Accra, Ghana

Dear Sir/Madam,

APPLICATION FOR PUPILLAGE

I write to express my interest in undertaking pupillage with Fitch Attorneys. I am currently completing the Professional Law Course at the Ghana School of Law and expect to be called to the Ghana Bar on 2 October 2026. I hold an LL.M. in Corporate and Commercial Law from the University of Ghana School of Law and an LL.B. from KAAF University.

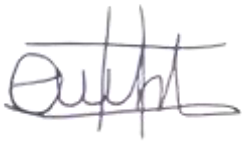

I am particularly attracted to Fitch Attorneys because of the way its practice brings corporate and commercial law together with tax, finance, infrastructure, energy, mining, technology and public governance. Your current pupillage programme also places emphasis on practical training, mentorship, sophisticated legal work, commercial insight and professional judgment. That combination reflects the kind of training I am seeking as I move from legal education into practice.

My legal experience has given me exposure to different sides of the profession. At Blay & Associates, I developed experience in legal research and drafting, civil litigation, dispute resolution, land and conveyancing matters and court procedure. I subsequently served as a Judge Clerk with the Judicial Service Ghana and, since February 2026, have been undertaking a judicial internship with a Justice of the Court of Appeal. These experiences have strengthened my ability to work carefully with authorities, identify the real issue in a legal problem and communicate my analysis with precision.

I have also been involved in the management of HiTrace Solutions Limited, a technology and telematics business which I co-founded. That experience has given me a practical appreciation of commercial decision-making and of the pressures that sit behind a client's legal instructions. It has reinforced my interest in becoming a lawyer whose advice is not only legally sound but also responsive to the client's commercial and strategic objectives.

I would value the opportunity to train at Fitch Attorneys, contribute to the Firm and be held to the high standards required in a demanding international corporate and commercial practice. I bring advanced legal education, practical and judicial experience, commercial awareness and a willingness to learn, accept responsibility and improve. I would be grateful for the opportunity to discuss my application.

Yours faithfully,

ISAAC NORTEY-ANNAN
